As always, we want to thank YOU, the residents of Nottingham, NH who make this community such a special place to work. Our team loves what we do and it wouldn't be possible without the love and support that we receive from our community.

Special thank you's go out to our many community volunteers, the Nottingham Food Pantry, the Legacy Leader Chef's who donate home cooked meals every month, the Police, Fire and Highway Departments who go out of their way to help and assist us everyday, the BOS and Town Hall employees, the Nottingham Youth Association, Blaisdell Memorial Library Staff and Marston Fundraising Committee. THANK YOU.

Our department is always looking for feedback, new ideas/programs and volunteer assistance. If you ever need information, have questions or feedback, please reach out to our department via phone, email or stop by during office hours! We are always here to help and serve our community.
